\*State law does not permit the school to charge students to participate in field trips that occur during school time, and Manzanita does not have the funds necessary to underwrite the expenses of this trip. Therefore, the Manzanita FFO asks that a donation be made by each third grade student's family to cover the cost of this outstanding educational opportunity, which includes all chaperones, instruction, transportation, and educational materials.

On behalf of the teachers and students, we are asking that you please make a contribution before the deadline so that this Arizona enrichment opportunity will continue for our third graders. If we are not successful in raising the entire amount needed, the trip may be cancelled and your donation will be refunded.

Need-based scholarships are available for field trips. For your confidentiality, there is an electronic financial assistance form at <http://manzanitaffo.org/scholarship/>. This form is delivered only to Principal Kim Boling, who will then work with you directly.

\*Donations in excess of \$70 may be tax-deductible and will help fund scholarships and any overall shortage in funding the trip. After making your trip donation, you will be directed to a scholarship link where you may make an additional donation. A tax donation letter will be sent upon receipt. Thank you for supporting this outstanding educational opportunity!
